
ECLIPSE by Sun

Introducing the first release **Eclipse** from C.Y's Dove Act.

With only one "index finger" you can bring powerful effects to the audience through Eclipse. Not only that, it will harmonize with your magic regardless of stage or close-up (SNS, Zoom). If you want to show shocking magic to the audience, **Eclipse** is a must-have for you.

What's in the **Eclipse** box:

- Gimmick
- Remote control
- Vanishing candle (white)
- Close-up candle (white)
- Table holder
- Charger line
- Usage & lecture
