
Mindfulness by Art of Play - Pokerdeck

Calm your mind and lift your spirits with this beautifully illustrated playing card. The intricate graphics reward purposeful observation while the warm colors inspire an optimistic sense of play.

Each suit of **Mindfulness Playing Cards** explores heady themes like balance, discovery, tranquility, and ego. You can journey into the self in quiet contemplation or gather with friends to play a spirited game that requires 108 cards-canasta, anyone?

Designed by Muti in South Africa.

Printed by The U.S. Playing Card Co. on FSC® certified Paper. Packaged in a letterpress-printed tuck box.
