## **CINEMAGIC FLASH leprechaun by Mago Flash**

**TV Magic** is a new illusion that combines the magic of Cinemagic Flash and the Super Coin Mechanism.

With **TV Magic**, a magician will be able to materialize up to 6 half dollar coins from an animated television screen. Special for close-up magicians who do coin magic or salon and children's magic. **TV Magic** is very visual with an original cartoon television design the same game in addition to appearing 6 half dollar coins. It allows you to make a larger chocolate coin appear and then give it to a child in the audience.
