
13 Steps To Mentalism Special Edition Set by Corinda & Murphy's Magic

"13 Steps to Mentalism, I remember the first time reading 13 Steps to Mentalism and being mind-blown at having a whole world open up to me. I find myself constantly going back to 13 Steps for inspiration all these years later. Murphy's Magic sent me their new 13 Steps box whilst I was in L.A. I was hit with a wave of nostalgia. I was blown away by the teaching on there just like the first time I picked up the book. Every night for a month straight after working on set, I would get back to the hotel and binge watch the material and play with the props. It's a must for any mentalist."

"Murphy's Magic has Created the DEFINITIVE mentalist's toolkit! This is perfect for beginners and professionals alike. You'll never have to buy another mentalist book, tool, or prop for the rest of your career!"

- Jeff Stone

"I absolutely love how the special edition set includes everything you need to start learning and performing the art of mentalism from one of the greatest books on the subject to EVER EXIST! I often refer to Corinda's work for inspiration. And with 12 hours of instructional video from one of mentalisms most creative thinkers, Richard Osterlind makes this a dream. Plus, all the gimmicks and tools being included takes this set over the top! The 13 Steps Special Edition set is a no brainer!!"

- Josh Zandman

"The '13 Steps' is the cornerstone of mentalism. It belongs on every mentalist's shelf and deserves to be thoroughly studied. We all owe Corinda a huge debt of gratitude for it. That said, to have the opportunity to have one of the giants of mentalism, Richard Osterlind walk you through this monumental work, giving you

the benefit of professional insights and decades of experience along the way, well, that's an opportunity that shouldn't be missed. And NOW, with the addition of having so much of the accoutrements that you need for the journey included, all in one package? This is no-brainer territory. You owe it to yourself to get the 13 STEPS TO MENTALISM SPECIAL EDITION SET and get the very best of the '13 Steps' experience that has ever been offered."

"The 13 Steps to Mentalism Special Edition Set is an incredible treasure trove of mentalism knowledge. Richard Osterlind's exceptional teaching style coupled with all the secret gimmicks and tools makes this an indispensable fusion of wisdom and entertainment that is an absolute must-see for anyone interested in mentalism."

- Joel Dickinson

"I was delighted and surprised when our friends at Murphy's Magic sent over a 13 Steps Special Edition Set to go along with my Corinda's 13 Steps to Mentalism video series. Jim and I spent over a year preparing for the project and this package would have been invaluable at the time. The blindfold is magnificent as well as the Knight's Tour, Billet Knife and other items which fit perfectly with the work we did. You won't have to run around trying to assemble the materials to work the effects shown on the recordings as many of them are right here in this package. Whether you are new to mentalism, or an advanced pro, you will find this kit to be priceless. I congratulate Murphy's Magic for their work in assembling these props and making them available to augment my recordings and, more importantly, to aid in bringing to life Corinda's magnificent creation of what is known as the bible of mentalism!"

- Richard Osterlind

"Unboxing the new 13 Steps to Mentalism Special Edition Set, I had a strong feeling of déjà vu, harking back to opening my first magic kit as a kid. As I removed the lid and began to explore the contents, it invoked similar feelings as I turned over the props in my hands and imagined what wonders they could create. If you're thinking of making the jump into mentalism but have been hesitant due to the sheer amount of material available and lack of a clear starting point, this new offering from Murphy's Magic is your answer. Coupling Richard Osterlind's authoritative updated performances and instruction on the most important parts of Corinda's seminal book with a good number of the necessary props to get you started is a wonderful idea and Murphy's Magic has executed it

brilliantly."

- **Jim Sisti**

"This is a full career building kit!! As far as mentalism goes this doesn't get any better. A masterclass in mentalism.."

- **Paul Romhany**
