## MAGIC HAMMER by PROMA

With this hammer, you can become an alchemist too!

Places a metal ball on a miniature skillet. After heating the metal ball with a lighter, hits it with a **Magic Hammer**.

Just like that, it turns into a coin!

The innovative idea of combining two parts makes it possible to perform with two colors of coins such as Euro coins.

All the tools can be stored in the plastic box. The box is labeled "ALCHEMIST'S TOOL BOX" and can be used as part of the performance.

Product contents:

- Set of tools
- Special case
- Quick guide.

Note: please prepare coins and lighter to use for performance.
