
Breakfast by Gustavo Raley

Gustavo Raley presents this classic effect, now renewed! Use organic elements and any type of glasses.

A great effect for your shows.

Gustavo Raley presented this idea at Fantasio's magic studio in 2007, and after that, was performed in countless conventions (such as the 4F).

This set includes a special gimmick and two cereal boxes, along with the tutorial to learn step-by-step how to perform and present the effect.
