## **Deluxe Wooden Ball Vase (Merlins Premier Range) by Merlins Magic**

This classic of magic is beautifully made from choice hardwoods.

This really is one of the best hand crafted Ball Vases available on the market today. This model is finely crafted by our own craftsman using the finest materials available and will enhance anyone's magic collection. **Classic Ball Vases** sell for many hundreds of pounds when they can be found. You can perform all the moves associated with this classic effect, vanishes, appearances and transformations.

This is made by our own local craftsman here in the UK out of a single piece of hardwood - Approx 4 1/2 inches high with hand made wooden ball.
