
The Moon (Purple Edition) by Solokid - Pokerdeck

The Moon Playing Cards is inspired by the moon, which is the closest satellite planet to the Earth. **This Purple Edition** is limited to 2500 decks. And the main feature of the design is that its face cards have no suits and numbers, the artwork has been designed in a way to improve the effect of cardistry in action.

Manufactured by the Taiwan Playing Card Co with their legendary luxury finish.
