
Wayfarers by Joker and the Thief - Pokerdeck

Joker and the Thief presents **Wayfarers Playing Cards** - a deck of playing cards that embodies the spirit of travel and adventure!

The back design is laden with ornate details and alluring metallic ink. Wayfarers' face cards feature completely original artwork and a deep narrative running throughout.

Wayfarer's court cards represent nature's elements - with each royal exercising dominion over their allocated aspect of reality.

Riffle through the deck further and you will come cross yet another effortlessly compelling Joker and the Thief Ace of Spades.

Wayfarers' tuck box speaks for itself. It is peppered with luxurious touches, including two types of foils - liberally applied to the exterior and interior of the tuck box. Each foil is stamped heavily, utilizing embossing techniques which provide a texture that has to be felt in person to be truly appreciated. As you run your fingers over the surface of the tuck box, you will feel every raised surface, and every Wayfarers is anointed with a tax stamp style seal, complete with a perforation, allowing you to open your new deck with ease and without damage.

Proudly printed in the U.S.A by the United States Playing Card Company in Erlanger, Kentucky - on crushed stock and finish for sublime handling and superior durability.
