
Celebrity Deck (Marked) by iNFiNiTi - Markiertes Kartenspiel

Introducing the first deck in the iNFiNiTi Marked Deck Series...

Celebrity Deck by iNFiNiTi

What's cooler than revealing a spectator's playing card?

Revealing a spectator's playing card AND CELEBRITY.

STUNNING CARDS

A beautifully illustrated and **deviously marked** deck of 54 celebrity playing cards. Each card pipped and indexed - so the Celebrity Deck is also a **Normal Deck**.

Famous females on red cards (hearts & diamonds) and males on black cards (spades & clubs)... for a killer ' Gender Out Of This World'.

Modern day and relevant living celebrities only - we've got another deck for the deceased; Dead Famous Deck dedicated to the likes of Elvis, Michael Jackson and Marilyn Monroe.

The perfect tool to **force a celebrity** for your favourite reveals, like Revelation Gum, Magicall, Phantom Artist and COiN Artist.

MAGNIFICENTLY MARKED

- Not ONE, but **TWO** powerful reveals.
- Instantly know the celebrity they have picked AND the card suit/value from the **back of the card**.
- Huge, glorious, **clear markings** - devilishly camouflaged.
- Can be read from up to **3 metres** away (average eyesight)

THE MOST USEFUL DECK YOU WILL EVER OWN

Bonus Cards included:

- Double Backer

Bonus Routines included:
