
POST TRICK EURO by Gustavo Raley

Post-Trick is an innovative effect designed by Gustavo Raley to visually transform post it notes into bills.

Includes a bonus of a great finale explained by Gustavo Raley.

Create your own presentations using **Post-Trick!**

Easy to perform and ready to use.

Designed with the standard Post-it size, you can use different colors.

Euro and Dollar bill versions available

Carry **Post-Trick** with you and surprise everyone performing this effect.

"I'm sure magicians all over the world will be 'posting' videos doing this!"
- **Luke Dancy - Murphy's Magic**
