## Art of Hand Shadows by Gustavo Raley

Gustavo Raley has been performing the art of hand shadows his whole life.

As a kid, he performed this millenary art in his father's shows.

Through the years, he presented his shows in prestigious stages around the world.

In this set, Gustavo will transmit his knowledge so you can develop animated shadows by yourself, teaching you techniques and secrets for characters creation.

Video tutorial, props and flashlight included

- Hand-shadows history
- Screen types and illumination sources
- Basic exercises
- Character construction
- Figure creation
- Prop utilization
- Routine preparation

English and Spanish

*"one of the great entertainers of our times"*

- **Jeff McBride**

*"Gustavo took this century old art form from the shadow and put it in a new light. You receive clear instructions, a flashlight and even the music - what more could you ask for? Highly recommended!"*

- **Rafael (Belgium)**

*"A tremendous performance from a great artista"*

- **P. Sebastian, Le Plus grand Cabaret.**
