Origami Can by Marcos Cruz

Imagine this... show the audience a tablet that is shaped like an orange-flavored drink, you show it from both sides and nothing hides, then you close it and it becomes a Cola flavored drink, you show everything very clean again, now you fold and the drink turns into a lemon drink.

Immediately after that, you make a can of lemon drink appear. The can of lemon is already in your hands!

Do you want to know the best part of **ORIGAMI CAN**? You can not only use it to make a can appear, but you can also use it to make a drink can prediction or ticket value change.
