
Bigblindmedia Presents Blind Faith by Stephen Tucker - The Workers Monte

Bigblindmedia presents Stephen Tucker's **BLIND FAITH - The Workers Monte (BBM328)**

Stephen Tucker's brilliant **BLIND FAITH** is truly the workers Monte routine - in-the-hands, visual, easy to do and ends with a KICKER!

Like all Monte's your spectators (try as they might) just CAN'T find the odd card out. However Stephen's brilliantly constructed routine ends with a shocking kicker AND leaves you 100% squeaky clean.

BLIND FAITH uses just the four provided cards, so it slips into a pocket or your wallet and is always ready to go. It's super easy to do (only basic moves) and builds to a shocking climax.

- Easy handling, ends clean, visual, practical
- Uses just four cards - a pocket sized miracle
- Comes with the special cards in Bicycle stock in a protective carrying wallet
