
Annemann 3.14 Index by John B. Midgley

Annemann 3.14 is John's version/construction of Annemann's Pocket Indexes.

This comes with two of the indexes, a pad of 20lb paper for performances and a 40 page booklet describing John's take on the construction as well as the original effects/construction from The Jinx and Annemann's Practical Mental Effects.

Each index and the pad of paper is hand made by John.
