
Corona by US - Pokerdeck

Cartamundi North America created the **Corona Playing Cards** capturing a beach side sunset on the card backs.

Each **Corona Extra Playing Cards** is printed with standard card face designs on the fronts. Printed on top-quality, 300 gram card stock, each deck comes in a reusable tuck box, sealed with cello-wrap, tear tape and hang tab.

These cards are perfect for a friendly game of Texas Hold 'em or your regular game night with friends.
