
Tommy Wonder Classic Collection Flying Birdcage by JM Craft

Tommy Wonder is one of the most influential magicians in the 20th century. It's our honor to re-release the works of the legendary Tommy Wonder.

We would like to pay tribute to the master! Tommy Wonder's works are undoubtedly a great treasure in the magic world. The more we delve into them, the more we can discover the ingenuity of his works. Every detail of his works is essential, and every setting is indispensable. It is the details and settings that make his routines almost perfect. Out of our deep reverence and love for Tommy Wonder, we have reconstructed all the details of Tommy Wonder's props almost stubbornly. This is probably the closest version you can get compared to the version used by Tommy Wonder himself.

We hope you can feel Tommy Wonder's spirit and thinking from these details. Finally, we would like to pay tribute to Tommy Wonder again. He will never be forgotten, and his thoughts will continue to influence generations of magicians in the 21st century. All the props do not include explanation, please refer to 'The Books of Wonder' & 'Visions of Wonder'.
