# **AUTOREVERSE 2.0 by Mickael Chatelain**

I have presented this effect all over the world at meetings, conventions and close-up sessions and believe me, the effect always leaves a strong impression because:

## **1. The spectators participate**

In close-up, for example, give each of your spectators a card and ask them to do exactly the same as you do!

Even though everyone is paying attention, no one can do it! Your audience will go crazy!

## **2. One card, empty hands!**

It's always easier to follow one card than a whole deck, isn't it?

Autoreverse 2.0 uses only one card! All the attention of your spectators will be on this one card and yet, nobody will find the "trick".

## **3. Clean, there's nothing to see!**

The effects follow each other... they are all very STRONG AND IMPOSSIBLE, each effect is more and more visual and to finish, you tear up the card... the mystery will then be even stronger because there is nothing left to see!

## **4. The miracle recipe!**

Once you know the method, it will take you less than 5 minutes to perform all the effects perfectly, no manipulation or suspicious gestures, believe me, you will present it at every opportunity!

## **5. Invisible!**

Yes, forget all the methods that exist, this is the CLEANEST, the most INVISIBLE!

Even if you know the "trick" you won't see it! So imagine your audience... I have
