## **CANDY FLASH by Zihu**

Candies are among the most organic items to play with: a simple shape, immediately recognizable and emotionally linked to deep childhood memories.

ZIHUTEAM Introduces the **CANDY FLASH**, a novel tool in your wonder arsenal: Cleanly vanish a candy from the spectator's own hands in a flash of light, have it reappear to any impossible location and give it as a memorable and tasty souvenir. The method requires no setup and is easy to do - anytime - anywhere.

The gimmick is of premium quality and built to last. It is rechargeable, allowing thousand of performances on a single charge.

We will teach you how to make best use of your **Candy Flash** with real eye candy routines to suit all kinds of situations and audiences.

Look no further, get yours now, WORLD WIDE

## Good points:

- Impossible location effect but with candy
- Happen on the spectator hand
- Using the signed candy or not
