## **Never Vanishing Silk by Quique Marduk**

The magician tries to make a silk vanish into his fist but the silk jumps up several times. Finally it vanishes but later on, the silk jumps out of his breast jacket pocket.

These are not gimmicks only, this is not a trick, this is a whole routine you can perform on stage, on parlour shows and is perfect to the virtuality of internet presentations.

If you are a magician, a clown or a comedian, this routine is great for you.

The handkerchief jumps 20 inches up, and if you want, you can make it jump out of your top hat or your briefcase too.

You receive two high quality special designed gimmicks and instruction manual.
