- Full video online instructions

Quotes:

"It is the easiest and most worry-free gimmick for this purpose that I have come across."

- **Marc DeSouza, M-U-M Magazine**

"The design and execution of the holder by Mr. James are excellent. It is exceptionally simple, silent, and practical, as well as durable."

- **David Regal, Genii Magazine**

"The glass literally puts itself inside the bag using this gimmick - it's incredibly clever and is very deceptive. "

- **Paul Romhany, *Reviews Vanish Magazine**

"Lots of possibilities with this. It is a very clever gimmick."

- **David Penn, Wizard Product Reviews**

"Pro Secco Plus Deluxe is the kind of prop you expect from a pro. Streamlined, versatile, simple to set up prior to performing and does the job right. There's also a multitude of ways to use the gimmick with glasses and bottles of various sizes. My highest recommendation."

- **Bill Abbott**
