
THE LEPRECHAUN (Gimmicks and Instructions) by Apprentice Magic

THE LEPRECHAUN is here to collect your coins!

EFFECT:

In this version, you display a coin tray and a clear plastic cup. Both can be inspected by your audience! You place a coin on the tray (let's say a penny) to lure **THE LEPRECHAUN**. Then you cover the coin tray capturing the invisible leprechaun and penny under the clear cup. Next, you ask an audience member to lend you a coin (let's say a dime). You take the coin and place it on the cup (covering it with your hand). In the blink of an eye, the leprechaun leaps up and grabs the dime **THROUGH THE SOLID CUP! BOTH COINS ARE NOW UNDER THE SLID CUP! A totally impossible sight to see!**

All Apprentice products come complete with all necessary props, online instructions as well as a great storyline to capture the imagination of your audience. The Apprentice Line of magic is focused toward beginners yet, many professional magicians around the world use these same tricks in their live shows.
