
Come Together by Aldo Colombini and Magic Apple

Now with STREAMING AND WRITTEN instructions!

A blank-faced card is placed inside a plastic envelope and given to a spectator to hold. Four Aces are shown, front and back and one by one the Aces turn face down! Then the Aces vanish and leave four blank-faced cards.

The card inside the envelope is removed and is seen to have all the pips of the vanished Aces on it!

Comes with the specially printed cards by the USPCC.

PLUS the packet trick wallet to hold everything!
