
SWITCHING TRIPURSE by JL Magic

Switching Tripurse is an triangle shape of purse with brown texture combine retro copper button full of old-fashioned and US western cowboy style.

The purse was made by crazy horse leather, crazy horse leather is one of the best leather in the world, can be use longer than others as time goes by, the surface texture becomes glossy.

Finally, the purse is hand made and carefully sewed with thread. This purse can use with small objects (coin, card, key, sponge, etc.) performance production or unexpected switching movement.
