
THE MAGIC FROG by PlayTime Magic

The funny silks collection are silks with unique and exclusive designs of magic and trick, they can be used in different ways.

All the illustrations are of very good quality and very colorful.

They are very playful and compressed easily and they are strong to last long.

Includes:

- One silk with a frog (14,5" x 11")
- One silk with a prince (14,5" x 11")
- One silk with a big kiss (10.5" x 7.5")
- Link with instructions

Start the routine showing a silk with a frog with crown and cape.

The legend said that the frog was kissed and turned into a prince.

Put apart the silk with the frog so the spectators can send magical kisses and when you catch them with your hand a silk appears with a big kiss.

Put the kiss silk back in your hand and vanish it by throwing it towards the frog silk.

When the frog silk is revealed, it has now transformed into a Prince!
