# How to Cheat at Dice Black Leather by Zonte and SansMinds

**These techniques are extremely deceptive and to be used for entertainment purposes ONLY.**

Learn from an underground legend in dice cheating techniques and world record holder for dice stacking.

The entire project, Volume 1-3, is personally taught by Zonte, and you'll learn the complete A to Z of dice cheating even if you've never touched a cup & dice before.

From how to handle the cup, to all the various ways to stack a tower of dice, our easy-to-learn mentorship system will have you mastering the basics in no time.

To take it a step further, Zonte teaches you how to manipulate the dice so you can have the right dice at the right place at the right time.

No matter what level you're at in dice stacking, THIS is the perfect place to begin. Let's get started with **How To Dice Cheat**.

## Perfect for:

- Social media
- Live party performances
- Live close up/street magic

## What is inside the box?

- One custom made dice cup designed by Zonte. Completely engineered to fit Zonte's routine for competition use.  
3 different options:  
Raw practice cup (non leather wrapped)  
Midnight Black (Premium black leather wrapped)  
Limited Edition Canary Yellow (Premium yellow leather wrapped, only 100 units made)
- 8 (eight) dices - two different colors, four each.
- Online video instruction access to all 3 volumes (almost 4 hours of detail)
