
X RAY VISION (Gimmicks and Instructions) by Apprentice Magic

X RAY VISION is MIND BLOWING demonstration of X-RAY POWERS!

EFFECT:

In this version, you show a cube with a different colored spot on each side. you also display an opaque box.

There is **NO WAY** to see through the box! You turn your back and ask an audience member to think of one of the colors and place it face up in the opaque box. The box is handed back to you and you can instantly tell what color they chose! This can be repeated many times and each time you are able to demonstrate your powers of **X RAY VISION!**

All Apprentice products come complete with all necessary props, online instructions as well as a great storyline to capture the imagination of your audience. The Apprentice Line of magic is focused toward beginners yet, many professional magicians around the world use these same tricks in their live shows.
