
Ghost Frame by H & Himitsu Magic

At the beginning, the magician brings out a framed picture of his hand holding a card fan. Then asks the audience to choose a card and put it in the deck. The magician tries to find the audience's card, but every time he fails. He then discovers that the card has disappeared from the deck!! The magician casts magic on the picture frame, and a card actually rises from the deck of that picture, and that card is the card chosen by the audience!!
