
Flame Take by Lukas Hilken And Mysteries

In partnership with Lukas Hilken, Mysteries is proud to present **Flame Take!** With this series of gimmicks you will be able to show your empty hand, grab fire and turn flame into different objects! Imagine being able to hold the fire at your fingertips and immediately transform that fire into an object! And the best part... You can give away the object as a souvenir! The object is absolutely normal!!

In the tutorial you will learn different handlings for close up, walk around, parlour, stage and a special part dedicated to social media!

Includes online instructions and a set of custom gimmicks to perform in different situations.

Flame Take is perfect to combine with Firekit! You will be ready to take your Fire Magic into a new level!
