
JEWEL THIEF / BALL VASE (Gimmicks and Instructions) by Apprentice Magic

JEWEL THEIF is a classic magic trick! Can you catch the JEWEL THEIF?

EFFECT:

In this version, you show a very rare "red pearl" that is kept inside a beautiful vase.

A thief comes in during the night and steals the pearl and places it in his pocket. You, being the magician, snap your finger and show that the ball has vanished from the thief's pocket! Finally, you open the vase and show it has magically returned back where it belongs!

This looks like REAL magic!

All Apprentice products come complete with all necessary Props, Online Instructions as well as a great storyline to capture the imagination of your audience. The Apprentice Line of magic is focused toward beginners yet, many professional magicians around the world use these same tricks in their live shows.
