
Gaff pack for Butterfly Marked (Black and Gold) by Ondrej Psenicka - Pokerdeck - Markiertes Kartenspiel

These **Gaff Packets** contain 10 gaff cards that will help you perform easy miracles and even complex stunnings. These are made primarily for **Butterfly Black and Gold Playing Cards** as they feature the same gold gilded edges.

Here you can find a complete list of the gaff cards included and the tricks they have been designed for:

- Gold back / Blue back (color changes, odd-colored predictions, etc.)
- Ace of Hearts / Six of Hearts (MacDonald Aces / Anniversary Waltz)
- Ace of Diamonds / Seven of Clubs (MacDonald Aces / Anniversary Waltz)
- Ace of Clubs / Ten of Spades (MacDonald Aces / Anniversary Waltz)
- Gold back / mispipped Ace of Diamonds (Three card monte)
- Gold back / mispipped Two of Spades (Three card monte)
- Gold back / B'wave Queen (B'wave)
- 2 of Clubs / 4 of Clubs (Harapan Ong's $4 = 2 + 2$ effect)
- 2 of Hearts / Queen of Hearts (Anniversary Waltz)
- Gold back / Caterpillar Joker (metamorphosis from a caterpillar to a butterfly - show the caterpillar joker using double turnover, put it in the box that has the cocoon sleeve on, let the caterpillar evolve in the cocoon for a brief moment, let your spectator take the joker out to discover a beautiful golden butterfly. - Oh wait, is that why I switched the Butterfly hunter design for the cocoon?)
