
Inspire Deck by Morgan Strebler and SansMinds Creative Lab

The ultimate performance weapon for elite mentalists and magicians!

From the mind of Morgan Strebler and the exquisite design of Will Tsai and SansMinds Magic, the **Inspire Deck** is a game-changing innovation!

It is an instant classic with NO competition. This revolutionary product will quickly become the "go-to" weapon in your performance arsenal...when only the best will do when your reputation and career are on the line, or when you are taking your career to the next level. Even an audience of magic aficionados will be groping for some semblance of logic to explain what they are witnessing as your skills merge with the mind-blowing **Inspire Deck**.

A spectator merely takes a card of their choice. The ingenious imagery of the **Inspire Deck** ranges from innocent children to a joyous wedding day to a scenic landscape or many other scenarios that elicit the desired mental cues. The wizardry of the **Inspire Deck** empowers you to proceed at will to accurately and in great detail describe the spectator's most personal thoughts.

You can flawlessly perform the Inspire Deck for multiple audience members at one time! Whether on stage or in a close-up, parlor setting, this is the tool to inflict mass amazement on your audience!

- No stooges.
- No forcing.
- No sleights.
- No peeks.

You can perform this miracle in minutes after opening the box!
