
Gilded Trojan War - Pokerdeck

A fully custom deck based on the famous war from Greek mythology. The classical design features characters from the Trojan War on the court cards and Aces. 2 information cards are included as the key to the characters and you could also use these cards as extra jokers or trump cards. Metallic inks on the cards and tuck case makes them a delight to handle for games, magic tricks, and cardistry. A great deck for any use or to just add to your collection.
