
X Deck (White) Signature Edition by Alex Pandrea - Pokerdeck

**The X Deck (VERSION 2.0) is LIVE, with the 1st deck in the line:
WHITE/BLACK (limited quantity available)**

Hey everyone! Pandrea here! PUMPED to drop this new deck - in the works for 10 months now! This begins our SECOND stylized version of the X decks. EACH VERSION WILL HAVE 3 DECKS IN THE LINE. The first versions had 3, the second version will have 3, and so on...

The X Deck is now Alex's go-to-deck for all magic performances. Simple enough to fit his minimal style, yet stylized enough to give it a vibe. Why X's? Well, Pandrea was born on Oct. 10th, at 10:00, hence 10.10.10 - with the NEW DUCT TAPE-like X designs on the back - this deck really encompasses Alex.
