## Just Breathe by Thomas Alley

Let your deck have a breather!

Breathers have been around for centuries. Designed by magicians to be able to control any card at any given moment in a shuffled deck. Now you have that power at your fingertips!

Just breathe is crafted by magicians for magicians and designed to be user friendly. With the help of 3D design and engineering, Thomas has worked hard to provide a reliable device 3D printed from PLA material that will last you for years!

Now give your deck a breather and order **Just Breathe** today!

Included: Just Breathe gimmick

Instructions in sealed package (NO PLAYING CARDS INCLUDED)
