
Dani da Ortiz MASTER CLASS Vol. 1 - DVD

Dani DaOrtiz and Juan Tamariz come together once again, to create a novel work with exclusive and very interesting content for all lovers of magic.

Even in the midst of a pandemic, Juan and Dani have decided to create something original for the community. They are very excited to share their thoughts and this material. Please bear in mind that although the pandemic has affected some of the moments in the recording such as Juan Tamariz wearing a mask, filming in the home of each of the artists, and of course without a large technical team. However, it is still HD quality with multi camera angles.

And, the magic is just as extraordinary. Welcome to their homes and their hearts.

Welcome to a **MASTERCLASS** in magic.
