
Let's Have a Dream by Dominique Duvivier

First, a prediction card is set aside.

Then a card is chosen by a spectator in a very fair way. The deck is shuffled.

From the middle of the face down deck, the magician takes out a random card:
It's the chosen card!

The prediction card is turned over... and it's the same!

Strengths:

- Special Bicycle cards printed by USPCC
- No sleight of hand
- Very ingenious principle: guaranteed effect!
- Foolproof
- Online video instructions
