## **Silk to Panda by Alan Wong**

Alan Wong's newest silk to animal series where you magically change a black and white striped silk into a cartoon Panda!

You receive a large 30cm square black and white striped quality pure silk, a gimmicked toy Panda 6 cm tall and a matching un-gimmicked squeaky toy Panda that can be used for examination and to play with, while you tell all the funny Panda jokes!

**What goes black, white, black, white, black, white?**

A: A panda rolling down a hill.

**What's black and white and red all over?**

A: A sunburnt panda.

**Why do pandas like old movies?**

A: Because they're in black and white.

**What do you call a bear that jumps but never lands?**

A: Peter Panda.

**What's black and white and as hard as a rock?**

A: A panda that's fallen in cement.

**What's black and white and goes round and round?**

A: A panda stuck in a revolving door.

**What's invisible and smells like bamboo?**

A: Panda farts.

**What goes white black white black white black red?**

A: A panda that falls from a cliff.

This one is my favorite:

I love Pandas, they're so chill. They're like "dude, racism is stupid. I'm White, Black, and Asian."
