
Purple Cardistry by BOCOPO - Pokerdeck

This is the newest version of the classic cardistry playing cards, new purple foil stamps on the box create a fashionable metal texture. Different colors are cut by clear and sharp lines. The simple and sharp color blocks are arranged and extended on the box, showing the modern sense of the different dimensional world. The card back still sets the center indication point, helping your finger easily locate, and each practice will be more efficient.

Printed by MPC. Limited to 2500 Decks.
