
Stronghold Sapphire Special Edition - Pokerdeck

For centuries, the Knights Templar have been the great defenders of the Holy Grail, the chalice used in the Last Supper Jesus shared with his apostles. These Holy Warriors have defended with their lives the constant attempts to steal the sacred object full of mysterious magical properties.

But the order of the Templars has disappeared and with it has the secret of the Grail's whereabouts. Four Great Kingdoms fight to get it and do not hesitate to turn historical quarrels into real bloodshed battles.

GAMBLER'S WAREHOUSE is proud to present the latest creation by SHAPE SHIFTERS: **STRONGHOLD MMXX**, a deck designed with care and a deep respect for traditional playing cards but with a modern and elegant touch.
