
James Bond 007 by theory11 - Pokerdeck

James Bond first appeared on our screens in the classic 1962 film *Dr. No*. 58 years later, 007 is still our favorite secret agent. In celebration of the twenty-fifth installment in the beloved James Bond series - *No Time To Die* - theory11 proudly presents **James Bond 007 Playing Cards**.

Elegance, Class, and Sophistication

THE WORLD OF JAMES BOND

Whether it's his perfectly tailored suit or the impeccable timepiece clasped to his wrist, Mr. Bond commands your attention when he enters the room. Perfectly encapsulated in gold foil and embossed accents, the ultra-lux outer packaging is truly representative of the esteemed intelligence officer.

Unrivaled Print Quality

MADE IN AMERICA

theory11 produces the world's finest playing cards, and these are a case study example. The box features two layers of gold foil, with a sculpted 3D emboss of the James Bond family crest on the back panel.

A Closer Look

INSIDE THE BOX

A closer look inside will reveal several iconic weapons and gadgets that have been featured in your favorite Bond films: the pen grenade from *GoldenEye*, Bond's trusty Walther PPK, the ski pole gun from *The Spy Who Loved Me*, Jinx's knife from *Die Another Day*, and much more!

Completely Custom Artwork

THE ACES. THE JOKERS. THE KINGS.

James Bond Playing Cards feature completely custom artwork in every aspect of the design, with the Ace of Spades, Joker, box design, and court cards

inspired by iconic Bond films over the past six decades.

The back design of **007 Playing Cards** features the Bond family crest and his family motto: *Orbis Non Sufficit*.
