
CHRISTMAS SURPRISE by Marcos Cruz

Inspired by the incredible COLOR CHANGING RABBIT, there are many versions in the magic market, but the version that Marcos Cruz presents us is very powerful and ideal for your child audience and Christmas virtual platforms.

Tell your audience that it is already Christmas and that in the fireplace you have a surprise to show them, place your hand on the fireplace and a hand from a Gremlins will come out to scratch you.

Better check the inside of the fireplace, oh surprise it is SANTA CLAUS, it is time to make some magical passes so that SANTA CLAUS shows us his magic but this is interrupted by the GRINCH., But with the help of the children SANTA CLAUS returns again, But it is a battle between these characters, until one of your audience interrupts your show and tells you that you are turning it around, catching the secret and the public is very demanding, you control the audience and tell them that they are going to remove it from the show. chimney to SANTA CLAUS to show that this is impossible, you explain that behind SANTA CLAUS is not the GRINCH, but the public screams for you to turn it over and a very funny and funny moment begins.

It's time to show your audience the rear part, you turn it slowly and what they will see they will not believe ... IT'S RODOLFO THE RENO.

Now create a Christmas story with THE REINDEER and magically play with his red nose.

Your public is in your hands.

An extremely simple, yet incredibly powerful device that all magicians can benefit from.

Each set includes:

- The fireplace and its applications.
- Santa Claus and Grinch (gimmick)
- Instructional video in Spanish and English

SOME COMMENTS:

"That's fantastic! Congratulations. The accessory looks great and very professional. Let me know when you post."
