
Atlas Kit Red by RPR Magic Innovations

The **Atlas** is the ultimate sponge ball utility device. With the **Atlas** you will be able to make sponge balls instantly appear and vanish at your fingertips.

Wait, that's not all. You will also have the ability to transform a sponge ball into a completely different object right in front of your spectator eyes.

Teleportation is another effect that is possible with the **Atlas**, made a sponge ball instantly travel from one hand to the other hand like never done before.

The possibilities are endless with the **Atlas** ultimate sponge ball utility device.
