
Unmasked Kids by Arkadio & Solange

Best seller, UNMASKED now comes in a new version for kids magicians.

With this version you will get a double change mask with superheroes plus a double force book that you can also use for many different effects like predictions, revelations... Kids are going to go nuts with the new **Unmasked KIDS!** Now you don't need to use playing cards, and this is a super visual effect.

Unmasked is a perfectly strange routine for these strange times."

- **Jeff McBride**

"Unmasked is what magic should always be: creative, unexpected and powerful."

- **Jandro**

"Unmasked is genius and perfect for these days. It was the first trick i did when i started my "live shows". I am sure this will be part of your professional repertoire as soon as you get it!"

- **Adrian Vega**

"The trick by ARKADIO & SOLANGE that makes you look at things with a different perspective - the good we received in these difficult times."
