## Skymember Presents Artist Series: Luka Kratsashvili (Rubber Band Magic)

Introducing "**Artist Series**" where we Skymember Presents feature some of the most talented magicians' work around the world.

Say hello to **Luka Kratsashvili**, a young and talented rubber band magician all the way from Georgia.

In this project, you will learn 5 beautiful rubber band:

**Dimension Band:** A jumping rubber band effect with a twist. Catch the rubber band like a martial artist.

**Pop Up:** A rubber band appears out of thin air.

**Contrast Band:** An eye candy color changing rubber band effect. Simply stretch the rubber band and it changed the color. The best part? Can hand out the rubber band instantly for examination.

**Contrast Band X:** A redesigned Contrast Band for social media. Perform visual color changing rubber band 2 times.

**Melting Band:** Perfect combination between rubber band and playing cards. Visually vanishes the rubber band and reappears on ANY SIGNED CARD.

### What you will receive:

- One high-quality pre-made gimmick card for Melting Band.
- One starter pack of authentic rubber bands.
  - 10 x Joe Rindfleisch's rainbow rubber bands.
  - 10 x CL rubber bands.

Taught by Zach Ng in Chinese dubbed, English subtitled.

*"Luka is a brilliant creator and I already can't wait to discover his next projects!"*
