
Virtual Impuzzibilities by Jim Steinmeyer - Buch

Number Nine, published in October 2020, features tricks that are suitable for live performances or virtual performances.

Here you'll find Red-Scarlet and French Dressing, two amazing, interactive variations on Oil and Water. Zeitgeist allows a number of people to simultaneously cast a spell for one person-perfectly tuned to a computer platform video show. Virtual Applause addresses the problem of applause on a virtual show, and turns it into a mind reading feat. The Enigma Process is an amazing word test that will, in the Impuzzibilities tradition, surprise you, amaze you, and then surprise your audience.

All together, there are fourteen different effects, more than any other book in the series, plus a special introduction. 40 pages.

Don't miss these intriguing, inspiring effects.
