
Engraved (Winery 7Ds) by James Kellogg

Engraved is a one of a kind utility that allows you to engrave ANY prediction on ANY glass without the need of any tools or machinery. With **Engraved**, you will receive enough materials to make multiple glasses. Using the **Engraved** method, it is truly engraved into the glass, non removable and permanent.

With this purchase, you will receive 2 sets of templates for your chosen glass style (one standard logo and the other is the card reveal). Although you receive pre-made templates, anything you can write, you can engrave. The possibilities are endless.

NOTE: Glasses are not included with this purchase. Provided are the utilities to DIY this magic trick using whatever glasses you may have or may purchase.
