
NO GIFT by Magic Dream

Amaze your audience with an original free choice routine! The magician shows 5 gift cards face down. He pretends that a wonderful present is waiting for a spectator behind.

It's not a card trick! It's a gift for you ! Do you want to play?

A spectator chooses one of them. After he confirms his choice, the magician turns each gift card face up, showing that they are all cheque for a big sum, except the chosen gift card which indicates the value zero!
