## FRUITFULL 2.0 by Juan Pablo

Imagine being able to make a bill appear inside a fruit in these impossible conditions:

- The fruit can be freely chosen by the spectator.
- The bill is signed
- The knife it's borrowed.

This is **Fruitfull 2.0!**

To be able to perform this miracle you will only need a small gimmick that will fit in your pocket and will let you do this classic of magic remastered.

Easy to do. Resets instantly.

Quotes:

"Juan Pablo fooled me once again. This is the easiest and most practical method I had ever seen to make appear a signed note into any fruit."

- **Mr. Tango (FISM winner)**

"I cannot believe it!!! A bill signed by a spectator appears inside a fruit chosen by him in IMPOSSIBLE conditions. Juan Pablo designed an incredible method for a dream effect!!!"

- **Henry Evans**
