
SPONGE SYSTEM by TCC

Sponge Ball Magic is a modern classic that exists in most magician's repertoire.

If you have ever performed Sponge ball magic, you know that it never fails to bring joy and astonishment to audiences no matter young or old.

Maybe you have been performing sponge ball magic the same classic way as everyone else.

There is no doubt that there are countless masters of sponge ball magic that have come before us.

This time, we want to show you something special with Sponge Balls.

Sponge System, brand new concepts and techniques for Sponge Balls.

This is the creativity of the TCC team, and this is the story from the Creator --- Wicky.

There are no gimmicks.

Everything you see in the trailer is pure sleight of hand.

All moves and techniques are modular and can be easily assimilated into your existing sponge routines.
